Beschreibung der Immobilie

Set within the Torre Bermeja community along the New Golden Mile, this duplex penthouse is a considered study in artful dwelling. Traditional Andalusian architecture meets a highly refined interior landscape. Here, open volume and a distinct spatial rhythm define the 200-square-meter floor plan. It is a home that relies on material honesty and tactile finishes rather than overstatement.

The interior is designed around the light interplay that shifts throughout the day. A sleek, form-driven kitchen integrates seamlessly into the main living area, pairing clean lines with high-performance appliances. Custom-built wardrobes ensure the aesthetic remains completely uncluttered. An integrated Bang & Olufsen audio system and a modern electric fireplace anchor the living space, creating an environment built for textured calm. Stillness. Sunlight. Space to breathe.

Stepping outside reveals an additional 125 square meters of terrace. This expansive area provides a framed perspective of the
