Beschreibung der Immobilie

Three bedrooms, open sea views and terraces spread across two levels.

Distributed across two levels, the property offers a practical layout that works equally well as a permanent residence, a holiday home or a place to spend extended periods throughout the year.

The main floor centres around a spacious living and dining area that opens directly onto the terrace, allowing natural light to flow throughout the day and creating a comfortable connection between the interior spaces and the views beyond.

A fully equipped separate kitchen, utility room, one bedroom and a bathroom complete this level, providing flexibility for guests or for those who prefer accommodation on the main floor.

Upstairs, two additional bedrooms share a bathroom and benefit from an elevated position with open views and excellent natural light. The separation between the living and sleeping areas creates a practical layout for everyday living.

The terraces are one of the property's strongest features. Large
