Beschreibung der Immobilie

This duplex penthouse is located within the contemporary Ágora development in Altos de la Resina, Estepona, an area that is quietly gaining a lot of attention for its space, views and proximity to everything.

The apartment is distributed over two levels and immediately feels bright and open. The main living area flows naturally into a spacious terrace through large sliding doors, which makes the entire space feel bigger and more connected to the outdoors. It's the kind of layout that works just as well for everyday living as it does for hosting.

There are three comfortable bedrooms and three bathrooms, which gives a lot of flexibility whether you're using it as a main residence or a second home. Upstairs, the private solarium really completes the property. It's a space where you can fully enjoy the climate here, whether that's relaxing during the day or having dinner in the evening with complete privacy.
