Beschreibung der Immobilie

This elegant duplex penthouse, located in Alzambra Vasari—one of the most privileged locations near the roundabout leading to Puerto Banús—redefines the concept of Mediterranean comfort through spacious, bright, and thoughtfully designed spaces. Unlike Alzambra Resort, which is located further inland and offers lower-end properties, Vasari stands out for its strategic location and more exclusive surroundings.

Spanning two floors, this penthouse offers a unique residential experience where the connection between indoors and outdoors takes center stage, thanks to its generous terraces with a chill-out area and unobstructed views of lush gardens and the attractive communal pool.

The home stands out for its spaciousness—380 m² of floor area—and a layout designed to maximize privacy and functionality. On the main floor is the guest bedroom, along with a spacious living room featuring a cozy fireplace that opens onto the terraces, inviting you to enjoy the climate year-round. The
