### Beschreibung der Immobilie

This contemporary luxury villa for sale in El Madroñal offers 4 master bedrooms plus 1 staff or guest suite and 7 bathrooms, with a built area of 587 sqm set on a 3,241 sqm plot, distributed across multiple floors connected by a private lift and enjoying sea and mountain views, an infinity pool, rooftop solarium, and a four-car garage within a secure gated community. Designed as a high-spec architectural residence, the property combines generous interior volumes with carefully integrated outdoor living spaces, creating a seamless connection between the home and its natural surroundings.

Inspired by the architectural philosophy of Arthur Casas, the villa reflects a design approach rooted in harmony with nature. Organic tones, soft lines, and materials have been selected to complement the landscape, allowing the property to feel like a natural extension of its environment. This concept is evident throughout the home, where light, space, and proportion are carefully balanced to create a
