Beschreibung der Immobilie

Fully renovated garden apartment in Alhambra del Mar, one of the most iconic and sought-after residential settings on Marbella's Golden Mile.

Positioned within the third phase of a highly regarded boutique complex, the apartment has recently undergone a complete refurbishment including new electrical and plumbing installations, aluminium windows, hot and cold air conditioning, porcelain flooring and bespoke lighting throughout. The interiors were designed by one of Marbella's most prestigious studios, La Albaida, creating a calm and refined living environment centred around natural light and seamless indoor-outdoor living.

The property offers four bedrooms and three bathrooms, two of them en suite, together with a spacious open-plan living and dining area connected directly to the terraces and private garden of more than 100 sqm. The kitchen has been conceived as an integrated social space, fitted with Bosch appliances, ceramic hob with integrated extractor and LED light
