Beschreibung der Immobilie

An authentic manor apartment in the heart of Marbella, with the spaciousness and character of old houses. Its generous rooms, the stunning terrace and its privileged orientation, which floods the house of natural light all day, make this property a difficult opportunity to find. Located in an unbeatable location, one step away from all services and the promenade, it is a residence combining space, elegance and exceptional quality of life. The house has two accesses: the main entrance and a service entrance.

The main entrance gives way to a generous and elegant entrance hall, which harmoniously distributes the rest area. The house has four large bedrooms, highlighting the master suite, which has en suite bathroom and direct access to the magnificent terrace. The three remaining bedrooms, two of them also with access to the terrace, share two full bathrooms, offering a comfortable, functional and perfectly adapted distribution to the needs of a family or those who enjoy receiving guests.
