Beschreibung der Immobilie

Three bedrooms, a top-floor position and views that stretch from Estepona Marina to Gibraltar.

Located on the fifth floor of El Jabeque, this apartment offers a perspective that few properties in the area can match. The marina sits below, the Mediterranean fills the view and, on clear days, Gibraltar forms part of the horizon.

The living and dining area is bright throughout the day and opens directly onto a spacious terrace that naturally becomes the focal point of the home. Whether it's morning coffee, lunch in the sun or watching the activity around the marina in the evening, the connection to the sea is constant.

The property offers three bedrooms and two bathrooms. The principal bedroom includes a walk-in wardrobe and en-suite bathroom, while the two additional bedrooms provide comfortable accommodation for family, guests or those needing extra space for remote working.

A separate kitchen and utility area add practicality to a layout designed for everyday living rather than
