Exclusive to Marbella Second Home

EARTH MARBELLA

A duplex corner apartment on the first floor of a boutique new-build development, of 28 homes at Altos de Puente Romano, in the heart of the Golden Mile, 750 metres from Puente Romano.

What sets this apartment apart is the terrace: 123 m² uncovered, flowing through to a private solarium with its own pool and panoramic sea and mountain views. No shared roof terrace, no queue for the communal pool — your own outdoor space at the highest point of the home.

The property

The corner position brings in light from several sides and delivers exceptional privacy. The open-plan living concept opens onto the terrace through Technal panoramic sliding doors, so indoors and outdoors effectively become a single space.
