Beschreibung der Immobilie

Located in the residential area of Río Real in the eastern part of Marbella, this modern townhouse-style villa presents an attractive opportunity for buyers seeking a sea-view property in Marbella or a contemporary home close to golf courses, beaches, and all essential amenities. The home is arranged across several levels — basement, main floor, upper floor, and solarium — and features five bedrooms, each with its own en-suite bathroom, offering a comfortable layout suited to family living, second-home owners, or investors interested in the Marbella property market. Panoramic windows fill the interiors with natural light while opening up views of the Mediterranean Sea.

A private swimming pool and outdoor terraces allow residents to enjoy Marbella's mild climate throughout the year, while the elevated position between sea and mountains creates a sense of space and privacy. Within the gated community, residents have access to a shared outdoor pool and a wellness area with a gym.
