Beschreibung der Immobilie

Some properties offer space and tranquillity but leave you feeling far removed from everyday life. This fabulous four-bedroom finca offers something quite different: a generous 3,000 m² plot and beautiful panoramic views, while still being within walking distance of Manilva village and its amenities.

Here, country living does not mean living in isolation.

Set in the unspoilt surroundings of Manilva, the property offers a wonderful sense of space and privacy. The house sits within its substantial private plot, with a private swimming pool providing an inviting place to relax, cool off and enjoy long days outdoors.

Inside, the finca offers four spacious bedrooms and three bathrooms, making it particularly well suited to family life or welcoming guests. The fully fitted kitchen provides a practical heart to the home, while the generous proportions of the bedrooms add to the feeling of comfortable, relaxed living.

Outside is where the character of this property really comes into its own.
