ICON The Residences - Villa 4 by González & Jacobson

Perched within the exclusive gated enclave of ICON Residence Villas at Santa Clara Golf, this contemporary residence is a study in architectural clarity, natural light and effortless Mediterranean living. Designed by the renowned studio González & Jacobson and completed in 2021, the villa occupies an elevated position from which uninterrupted views unfold across the Mediterranean Sea towards Gibraltar and the mountains of North Africa.

The architecture is defined by clean geometric lines, generous volumes and an elegant dialogue between interior and exterior spaces. Floor-to-ceiling glazing dissolves the boundaries between the home and its surroundings, inviting natural light into every room while framing the changing colours of the sea and sky. Throughout the day, terraces, gardens and living spaces become one continuous environment designed for both quiet moments and sophisticated entertaining.
