Beschreibung der Immobilie

Designed for those who value space, privacy, and understated elegance, this exceptional villa sits on a private plot of 1,041.19 m² in one of the most desirable enclaves of the New Golden Mile.

With a total built area of 603.27 m², including 358.52 m² of interior living space, the property offers a harmonious balance between architecture and lifestyle, where every space has been created to feel open, natural, and connected.

The villa features 4 bedrooms and 4.5 bathrooms, each designed with comfort and privacy in mind. The upper floor hosts the main sleeping quarters, where en-suite bedrooms open onto private terraces, offering peaceful views and a sense of calm that defines the entire home.

The main living area is where the villa truly comes to life. A spacious open-plan layout brings together the living room, dining area, and kitchen, creating a central space that is both elegant and functional. Expansive floor-to-ceiling windows flood the interiors with natural light and provide
