Beschreibung der Immobilie

Modern apartment for sale in one of Marbella's best residential areas (La Campana).

This 3-bedroom, 2-bathroom apartment was completely renovated 4 years ago. Upon entering, you'll find a spacious hallway connecting different areas (there's a large extra space between the apartment's entrance door and the building's main hallway door, like an extra corridor that no one uses and which the current owners even use as a second storage room). The apartment features a fully equipped kitchen with all appliances, a separate laundry room with a washing machine, and a small dining table in the kitchen. The living room includes a dining area, a large new sofa, TV and television units, and one bigger part of the large living room is currently used as a playroom and toy storage area by the current owners. The living room is quite spacious. From the living room, you can access the private balcony directly. All 3 bedrooms are exterior-facing with windows, and with fitted wardrobes.
