Located in the heart of the prestigious Real de La Quinta resort, this magnificent modern 3-bedroom ground-floor apartment captivates with its contemporary design and luxurious features. With 135m² of perfectly arranged space, it offers a living environment bathed in light and a constant connection with nature.

Refined and Luminous Interior:

From the entrance, a warm atmosphere sets in, enhanced by indirect LED lighting in every room. The living area opens to the outdoors thanks to large floor-to-ceiling windows that retract fully into the walls, creating an invisible transition between the lounge and the terrace. The kitchen, fully equipped with NEFF appliances, features a convivial bar ideal for social moments. From wherever you are, the apartment enjoys breathtaking views of the private-use garden, the mountains, and the surrounding nature.

Sleeping Area and Comfort:

The layout was designed for privacy: a night hall serves the different spaces. It opens onto a spacious master suite with direct garden access and an en-suite bathroom, as well as two other generous bedrooms sharing a modern shower room. Each bedroom benefits from electric shutters and large built-in wardrobes. A laundry room / guest toilet completes this functional ensemble. Comfort is absolute thanks to the full underfloor heating and reversible air conditioning, both independently adjustable in each room.

Spectacular Outdoors:

One of the major assets of this property lies in its exterior spaces: a vast 66m² terrace, partly covered and equipped with heating, which extends toward a superb fenced garden of nearly 400m² (maintained by the community). Thanks to its triple orientation (Southeast, South, and Southwest), you will enjoy the Mediterranean sun or a saving patch of shade at any time of day, in complete privacy.

An Exceptional Residence and Resort:

The property includes two parking spaces (one with an EV charger) and a spacious storage room, accessible by elevator. The residence, secure and gated, offers a very large swimming pool with panoramic views of the Sea and mountains.

This exclusive location offers a setting of absolute calm, while being only a few minutes to the vibrant life of Marbella and Puerto Banús. The Real de La Quinta resort spans 200 hectares and offers world-class infrastructure, featuring a central lake and its leisure club dedicated to water sports (Paddle surf, Kayak, Water bikes), a refined clubhouse with a restaurant, outdoor and indoor pools, a gym, a spa, tennis and padel courts, and a golf academy with its own course.

A new access road toward Nueva Andalucía is under going, further optimizing connectivity.

Whether as a secure "lock-up & leave" second home or a permanent residence in a healthy and spacious environment, this BREEAM "Very Good" certified apartment, with an excellent EPC rating, embodies the perfect balance between luxury, sustainability, and serenity.
