A Home Where You Can Live the Mediterranean Every Day

Some homes are simply visited. Others make you immediately imagine your life living there.

This spectacular triplex penthouse is one of them.

Recently renovated with exquisite taste and a strong Italian design influence, this beautiful home combines style, natural light, privacy and breathtaking panoramic views of the Mediterranean Sea.

With 129 m² of built space, several terraces and a layout designed to make the most of every corner, the real luxury here is not only in the quality of the materials or the design, but in the feeling of waking up every morning with the sea as your backdrop.

Light, sea and space as part of everyday life

Imagine starting your morning with a coffee on one of your terraces while the Mediterranean stretches out before you.

Or enjoying dinner outdoors as the sun slowly disappears over the horizon.

The different terraces allow you to make the most of the wonderful Costa del Sol climate throughout the year, creating those simple moments that eventually become unforgettable memories.

The bright and open living area flows naturally towards the terraces, creating a constant connection with the outdoors and allowing the sea views to become part of everyday life.

Italian elegance, designed to be enjoyed

Every detail of the renovation has been carefully selected to create a home that feels elegant, comfortable and timeless.

The Italian-imported furniture brings personality and sophistication, while the high-quality materials and finishes ensure comfort, durability and attention to detail throughout the property.

And, for those moments when you simply want to switch off and relax, your own private jacuzzi.

It is not simply about having high-quality materials.

It is about coming home and truly feeling at home.

A space designed for living, sharing and relaxing

The property offers 3 bedrooms, 2 full bathrooms and an additional guest toilet, providing both comfort and privacy for family life as well as entertaining guests.

The layout creates a wonderful sense of space and natural light, while the terraces extend the living areas even further.

Here, you can enjoy a quiet morning, lunch with friends, an afternoon in the sun or an evening under the stars — all without leaving home.

The Costa del Sol at your doorstep

The location allows you to enjoy the best of the Costa del Sol, with schools, shopping centres, restaurants, public transport and major road connections all within easy reach.

And yet, when you return home, you can close the door behind you and enjoy the peace, privacy and unique privilege of having the Mediterranean Sea right in front of you.
