Property Description

Turnkey 3-Bedroom Apartment with Private Garden, Terrace & Rental Licence in Estepona West

Stylish living, enjoyment and investment on the Costa del Sol.

This beautifully furnished and fully turnkey apartment with 3 bedrooms, 2 bathrooms, a private garden and spacious terrace is located in the popular Bayside Homes development in Estepona West.

The property combines modern comfort, high-quality finishes and an excellent location with an attractive investment opportunity. A rental licence is already in place, and ongoing/future bookings may, subject to agreement, be taken over. This makes the property not only ideal as a permanent home or holiday residence, but also particularly attractive for those looking to start with holiday rentals immediately.

Bright, modern and completely turnkey

The apartment offers approximately 95 m² of living space and features a modern, open-plan layout. The bright living area, together with the stylish open-plan kitchen, forms the heart of the home.

Thanks to the large windows, the property benefits from plenty of natural light and creates a seamless connection with the spacious terrace of approximately 20 m² and private garden of approximately 22 m². A wonderful setting for breakfast, relaxing or enjoying the Mediterranean lifestyle with friends and family in the evening.

The apartment features three comfortable bedrooms and two modern bathrooms, providing plenty of space for personal use as well as for welcoming family, friends or guests.

Fully furnished and ready to enjoy

Another major advantage is that the apartment is sold including the complete, brand-new furnishings and inventory. The interior has been professionally designed with high-quality materials, contemporary furniture and tasteful finishes.

There is virtually nothing left to do: simply unpack your suitcase and start enjoying your new home.

Attractive investment opportunity

For investors, this property offers additional potential. A rental licence is already in place, making the property suitable for rental use. In addition, there is an opportunity, subject to agreement, to take over existing/ongoing bookings.

This makes the apartment particularly attractive to buyers looking for a combination of personal use, holiday enjoyment and rental income.
