Property Description

Tucked away in a quiet cul-de-sac shared with only two other properties, this two-level villa in Mijas La Nueva offers privacy, space, and genuine potential just minutes from the whitewashed streets of Mijas Pueblo. Behind a gated driveway, the property sits within a well-established community that adds real everyday value: two additional communal pools, a tennis court, a local pub/restaurant, and a fitness centre — all on your doorstep.

The Property

Set over two levels, the villa offers flexible accommodation across 4 bedrooms and 4 bathrooms:

Ground floor: entrance hall, separate living and dining areas, fireplace, kitchen, and a double bedroom with its own bathroom — ideal for visitors or single-level living.

First floor: three further bedrooms and three bathrooms. Bedrooms two and three are generously

proportioned doubles, each with their own bathrooms. The fourth bedroom is a private retreat at the end of the floor, reached through bedroom three, with its own en-suite bathroom and direct outside access through a private staircase back down to the outside area of the ground floor. All four upstairs bedrooms open onto a large shared terrace that runs the full length of the property, taking in sweeping views over the surrounding hills and Mediterranean — a fantastic spot for morning coffee or evening drinks.

Outside

The private pool is a lovely, intimate size, framed by lawn and mature planting, with both covered and open-air terrace areas for shade and sun in equal measure. A built-in BBQ area makes this a natural spot for outdoor dining and entertaining. The garden is lush and established, offering a peaceful private retreat.

Things to Know
