Discover a home where luxury, comfort, and breathtaking views come together effortlessly. Casa La Torre is a fully renovated apartment in the heart of the exclusive La Torre complex, within the sought-after urbanisation of Los Arqueros — a green enclave where the good life feels effortless every single day.

Part of a prestigious gated community, Los Arqueros offers its own golf course, welcoming restaurant, bowling facilities, and extensive sports amenities. The urbanisation is impeccably maintained, with manicured gardens, beautifully kept communal areas, and a stunning shared swimming pool where residents can enjoy the Andalusian climate at their own pace. With a supermarket within walking distance, every convenience close at hand, and the beaches of the Costa del Sol just a ten-minute drive away, the location perfectly balances tranquillity and accessibility.

This exceptional home has been fully renovated and thoughtfully redesigned to maximise light, space, and flow. Carefully selected materials bring warmth and sophistication together, creating

interiors that feel elegant yet inviting. By relocating the kitchen, an exceptionally spacious and light-filled living area has been created, allowing cooking, dining, and relaxing to flow seamlessly together. The modern high-end kitchen is fitted with every comfort you would expect, including a beautifully integrated wine cooler that adds the perfect finishing touch.

Elegant sliding doors from both the living room and kitchen open onto the generous terrace, where the views immediately take centre stage. Sweeping sea views, serene panoramas across the golf course, and a valley landscape that transforms beautifully with every season create a setting that never loses its charm. Whether enjoying a morning coffee, long lunch, or sunset drink, every moment here feels enhanced by the surroundings.

The master bedroom is a private retreat, complete with its own balcony seating area and en-suite bathroom. Two additional bedrooms and a second bathroom make the property equally suited to family living and hosting guests. A private garage with dedicated parking and storage adds further convenience, while the apartment can be accessed via both stairs and lift.

Casa La Torre is more than a home — it is an invitation to embrace the Costa del Sol lifestyle at its finest. A place where luxury feels natural, where every detail has been carefully considered, and where comfort, elegance, and breathtaking views come together effortlessly. This is an exceptional opportunity to own a beautifully renovated home in one of Benahavís's most desirable communities.
