Property Description

Set within the sought-after urbanisation of Altos de La Quinta, this two bedroom, two bathroom apartment offers a rare combination of tranquillity, space, and location. Presented in original condition, the property has been well maintained and is in good, move-in ready condition — perfectly livable as it stands, while also offering scope for a new owner to update and personalise the space to their own taste over time.

The apartment enjoys a bright, spacious South-East facing layout, filling the living areas with natural light throughout the day while keeping interiors comfortable and airy. The open, well-proportioned floor plan offers genuine flexibility, whether you're looking to move in as-is or reimagine the space entirely.

La Quinta is one of the most peaceful corners of the Golf Valley, surrounded by rolling fairways and mature Mediterranean greenery. Living here means waking up to golf course views and quiet, leafy surroundings, all while remaining just minutes from everyday conveniences. The urbanisation is home to its own golf course and is within easy reach of several others, making it a natural choice

for golf enthusiasts and anyone who values green, open space on their doorstep.

Despite its serene setting, the apartment is only a short drive from San Pedro de Alcántara, one of the area's most vibrant and authentic towns. San Pedro offers an excellent range of restaurants, boutique shops, supermarkets, and bars, along with a lively promenade and beach — giving residents the best of both worlds: peaceful golf-valley living paired with easy access to everything a bustling town has to offer.

This property's combination of location, orientation, and potential makes it a genuinely versatile opportunity — equally suited as a permanent home, a vacation retreat, or a rental investment in one of the Costa del Sol's most desirable areas.
