Located in the heart of a tranquil and well-maintained community with two large swimming pools, this ample property is accessible from its private, full-basement garage, as well as from the spacious terraces to the front and rear.

Inside the house, which has an abundance of natural light throughout, there is an enclosed fully-fitted kitchen, which leads on to the large dining and living room, with a working fireplace. Large doors slide open onto the larger rear terrace, outdoor chillout and bbq area, all covered with new, sliding sunshades.
