Property Description

This exceptional luxury home in La Reserva de Sotogrande blends modern architecture with sustainability, offering unparalleled comfort in a first-line golf course location with views of both the greens and the Mediterranean Sea. Its modernist design features clean lines, expansive terraces, and a tiered structure that maximizes natural light and stunning vistas.

The property spans 1,906 m^2 of built area on a 2,451 m^2 plot, with 1,047 m^2 dedicated to interior spaces. The first floor comprises a day area of 196 m^2 , including a hall, living room, dining room, a preparation kitchen, and a show kitchen. It also features a covered terrace (144 m^2) and uncovered outdoor spaces (141 m^2). The night area on the ground floor (172 m^2) includes the master bedroom and three additional bedrooms, all with en-suite bathrooms. This floor also provides a garage and more outdoor terraces (225 m^2). The basement adds a social area, library, cinema, gym, and wellness zone with a sauna and heated indoor pool.

€ 8,800,000 Ref: R4853365

The property features five luxurious bedrooms, including two master suites, and eight bathrooms. The outdoor amenities include a large infinity pool with a beach area and outdoor dining and living spaces perfect for entertaining. There is a private cinema, a dedicated library, and extensive outdoor terraces totaling over 850 m^2 . The home also includes a spacious garage, car access, and multiple covered and uncovered terraces, offering the best of indoor-outdoor living.

Sustainability is key, with a low-enthalpy geothermal system providing heating, cooling, and domestic hot water. The photovoltaic system generates renewable energy, and a battery storage system ensures energy efficiency. The property is self-sufficient, with geothermal and solar energy systems supporting the villa year-round. Additional features include underfloor heating, advanced air conditioning, and a fully customized elevator that integrates seamlessly into the home's design.

Built with first-class materials, the home is insulated with a SATE system for thermal efficiency and has mechanical ventilation with heat recovery. Plumbing and drainage systems are soundproofed and fire-resistant, guaranteeing the highest quality in comfort and safety.

This stunning home epitomizes the ultimate in sustainable luxury, offering modern design, expansive living spaces, state-of-the-art technology, and eco-friendly features in a prestigious location.
