Upon entering through a grand arched doorway, visitors are welcomed into a spacious foyer with a breathtaking three-story atrium staircase overlooking the gardens and pool. The layout is thoughtfully designed across three levels. The main floor features five ensuite bedrooms, each with a terrace, along with a large garage and plant room. The lower floor offers expansive living, dining, and entertainment spaces, including a study, games room, guest quarters, and seamless access to the outdoor terraces and pool. The property is crafted with high-end finishes and eco-friendly features, including solar heating for the large pool, hot and cold air conditioning, underfloor heating, and a modern domotic system. The pool, heated by solar energy, is usable from Easter through autumn, providing year-round enjoyment. A four-person lift provides easy access across all levels, including the rooftop chill-out area.

Outside, the gardens offer extensive leisure spaces, with room for either a padel or tennis court alongside the large terraces and a 36 m² pool house. The villa's sleek design is highlighted by expansive glazing on the south-facing façade, blending indoor and outdoor spaces to perfection.

Casa Quixote is set in a private, mature enclave in Sotogrande Alto, combining modern luxury with sustainable living. Due for completion in Summer 2025, this villa is a rare opportunity for those seeking an exceptional family home or a luxury retreat.
